### PROPERTY

Within an enchanting enclave on Maui's most beautiful white-sand beach, Four Seasons Resort Maui at Wailea is one of the world's finest resorts. A classic Hawaiian palace, it presides over 15 oceanfront acres (6 ha) of pools, terraces and lush tropical gardens on the southwest coast, an area that enjoys the island's driest, sunniest weather.

The eight-story, classically styled resort features a glazed blue-tiled roof and is open and airy. Indoors and out flow together, with garden terraces leading into the patterned marble floors and majestic columns of the lobby.

Our ocean front property is designed in a U-shape allowing the majority of the 380 guest rooms and suites to feature incredible views of the Pacific. The Resort's magnificent facilities include an award-winning spa and health club, exquisite dining in three restaurants, enticing outdoor pools, tennis courts, a magnificent art collection, business services and extensive indoor and outdoor function spaces.

From the breathtakingly beautiful surroundings to the Resort's highly personalized and seamless service, the comfort and pleasure of our guests is ensured.

### TRANSPORTATION

Maui's Kahului Airport is a 35-minute drive away, and is served by a number of major airlines—including Alaska Airlines, American Airlines, Continental Airlines, Delta Airlines, Hawaiian Airlines, Northwest Airlines, and United Airlines—that offer flights to and from North America and major airports on the neighboring Hawaiian Islands. The Resort can arrange limousine, taxi and rental car transportation. Most major car rental companies are located at the airport and nearby offices.

### DESTINATION

The dormant peak of Haleakalā volcano and the majestic Mount Kahalawai (West Maui Mountains) tower into vivid blue skies. Upcountry ranchlands sweep down to lush forests and valleys glistening with waterfalls and brilliant with flowers. This is Maui, the most beautiful of the islands. On the southwestern coast, Wailea's white sand beaches are excellent for swimming, snorkeling, diving, whale watching and lazy strolls on the sand.

The surrounding area offers a wide range of excursions and activities:
